All children under the age of eight should be accompanied in the water & changing areas at all times by a responsible parent/guardian who must be at least 16 years old.

The parent/guardian must remain in the water with the children at all times maintaining a constant watch over them and never be out of arms reach from children in their care.

# Customer Information

## Young Children

- Children under 6 months may be more sensitive to pool temperatures and chemicals, Please adapt bathing periods as required.
- Children that wear nappies must wear appropriate swim nappies which are available to buy at reception.
- During swimming lessons children under 8 cannot enter the water before or after the lesson unless accompanied by an adult.

## Swimming Capabilities

- When using our pools please take into account your own swimming abilities and inform a member of our poolside staff of any specialist assistance you might require if suffering from any medical conditions which may affect your safety in the pool.
- All non-swimmers should not enter water which is out of their depth.

## Pool Features

- During waves and rapids all weak swimmers and children wearing armbands must stay in shallow water.
- Children wishing to ride the flume alone must be 8 years or older, a competent swimmer and over 1.1 m tall.

## Pool Hygiene

- People should not swim if they have open wounds, severe eczema or any other infectious skin complaints.
- Cold, Flu and other infectious illnesses are sufficient reason not to swim, so is diarrhoea within the last 2 days, or cryptosporidiosis within the last 2 weeks.
- People with head lice, athlete's foot or verruca's should not go into the pool. People whose illness or treatment makes them susceptible to infection, or affected badly by it, should take medical advice before swimming.

## Pool Safety

- People should not swim if they are under the influence of alcohol or drugs.
- You should not hold your breath underwater for long periods and should never do so whilst floating face down.

The Enjoyment and Safety of our customers are the priority of our team, please listen to pool staff - They are here to ensure your safety. Please read and obey safety notices and posters displayed around the pool and during lane sessions please follow the lane etiquette signage.
