

Signing up for a Get active Junior / Teen Fitness membership

We are delighted that you are interested in a Get active Junior or Teen Fitness membership!

Our memberships are managed within the MySportAberdeen system.

As this membership is for a child under 18, it must be linked to an adult MySportAberdeen account so that it can be paid for and properly managed.

To do this, the responsible adult will first need to sign up for their own free MySportAberdeen account or have an account already. Please follow the three easy steps below and get ready to #getactive!

Step 1: Your MySportAberdeen Account

If you already have a MySportAberdeen account:

Please log into your account [here](#) and skip to the 'Creating and linking your child's account' step below.

If you do not already have a MySportAberdeen account:

Please create a free account in your own name with your contact details.

- If you already have another Sport Aberdeen membership (i.e. for yourself) but have not registered for a MySportAberdeen account already, then please [click here](#) to begin the process.
- If you don't already have another Sport Aberdeen membership, then please [click here](#) to begin the process.
 - *Please note that the email address you use to sign up **must not already be used for another Sport Aberdeen product (i.e. swimming lessons)**. Please use a different email address. If you use your email address for another Sport Aberdeen product and don't have any alternative, please complete [this form](#) and a member of our team will be in touch to set the membership up for you.*

Step 2: Creating and linking you child's account

- **Login** to your MySportAberdeen account
- At the home page, click on 'Additional Members'

- Click 'Add New Linked Person'
- If the child has their own email address that you would also like to have attached to this account, then you can add it here. Otherwise please leave the email field blank – do not add your own email address here.
- Add the details of the child for the remaining information and click 'Save Details'.
- The child is now linked to your account.
- Return to the home page via the link at the top left of the page.

Step 3: Sign up for the membership!
