

Sport Aberdeen - Skate UK Terms & Conditions

Customers paying by Direct Debit

- You are committing to a contract with a minimum period of one month.
- Please refer to Sport Aberdeen's Direct Debit Terms & Conditions for further details: <https://www.sportaberdeen.co.uk/sport-aberdeen/terms-conditions/>
- If you wish to cancel your classes following the one-month minimum period, one month's written notice is required from the renewal date (1st of every month).
- If you no longer wish to continue with classes, please complete [this form](#) to begin the cancellation process.

Refunds

- Once payment has been made for classes, refunds or credits will only be considered under exceptional circumstances: for example, where a participant suffers a substantial period of illness or hospitalisation that can be supported by medical evidence. In such cases, all credits due will be offered as a discount on the next set of course fees / Direct Debit. No refunds or credits will be backdated beyond the date of notification.
- Requests must be made in writing to coachedprogrammes@sportaberdeen.co.uk where each case will be considered. Requests should provide a detailed explanation of the circumstances surrounding the participant's inability to attend classes and must be accompanied by medical evidence wherever possible.

Booking and Administration

- Classes operate as a 50-week continuous programme, with a break over the Christmas period.
- Parent and Toddler sessions are Pay and Play classes booked on a week to week basis.
- It is the responsibility of the parent / adult participant to ensure that Sport Aberdeen holds up to date contact details. Payment / change of class correspondence is primarily through email, so it is extremely important that we have a current email address to benefit from this correspondence. If you need to update your details, please advise the venue staff or contact coachedprogrammes@sportaberdeen.co.uk.
- If a participant has been allocated into a class level that we determine is not suitable for them, the team will decide on the appropriate action to take. This may involve moving to an alternate class, a temporary freeze on attendance while an alternate class is found or cancellation of the membership.

Cancellation of classes by Sport Aberdeen

- If a class has been cancelled in advance, notice will be given via email or text alert.
- It is very important that you take your child/ren into the building to confirm that classes are going ahead. It is also essential that we have an up to date contact telephone number and email address.

- In the event of the classes being cancelled due to severe weather please also check for updates on the Sport Aberdeen website and social media.
- In the unfortunate event of classes being cancelled, quarterly checks on cancellations will be carried out and participants with more than one cancellation per quarter will be refunded accordingly from their next Direct Debit payment.

Expected General Behaviours & Standards

Clothing / Equipment

- Participants should be dressed in warm clothes that are non-restrictive e.g. leggings/stretchy trousers and a long sleeve top. Wearing lots of layers is a good idea and you can layer down if needed. Younger children are advised to bring a helmet for the first few lessons.
- Ice skates will be provided if required.
- Venue staff are not responsible for personal belongings and no items of value should be brought to the rink side.
- Please make use of the lockers provided. Any items left unattended may be removed and placed in lost property.

Behaviour

- All participants and accompanying adults / children must behave in a way that is not disruptive to other participants, coaches or facility staff.
- Any conduct that is deemed disruptive or which affects the safety of others will result in the individual being removed from the class and potentially from the programme.

Supervision

- All children should be accompanied into the facility to confirm that classes are going ahead before parents / guardians leave the premises.
- Parents / guardians of children under the age of 8 years old must remain on site and the child must always be supervised throughout the building. You may be required to assist with toilet breaks.
- Parents / guardians must ensure that any siblings of participants are always fully supervised within the building.
- Parents / guardians must ensure they are on time to collect their child after lessons: children will make their own way from the rink to the skate hire area where they should be collected / supervised as necessary. Coaches are only responsible for participants during their lesson which does not include the changing rooms before or after the session.

Illness

- If a child has had sickness or diarrhoea within the previous 48 hours, they must not attend the class.
- You do not need to report absence due to illness to us, unless it is likely to be a long-term absence.

Health & Safety

- Participants should check in at reception, get yourself prepared with your skates on and make your way to the side of the rink ready for your lesson start time. Please do not go onto the ice until the coach tells you to do so.
- All areas must be kept free from obstacles for health and safety reasons and we would appreciate parents' vigilance in this area.
- Parents or adult participants must inform the venue staff of any conditions which may affect the enjoyment or safety of the participant.
